**WHOOPIING COUGH.**

"In the spring of 1901 my children had whooping cough," says Mrs. D. W. Cappe of Cape, Ala. "I used Chamberlain's Cough Remedy and with the most satisfactory results. I think this is the best remedy I have ever seen for whooping cough." This remedy keeps the cough loose, lessens the severity and frequency of the coughing spells and counteracts any tendency toward pneumonia. For sale by all druggists.

**Not a Boom.**

Daytona says she never had a boom, but she is getting along pretty well. What's in a name? Daytona has a fine boom on right now but she doesn't know what is the matter with her because she has always had it. And she will never get well of it if she be wise.—Times-Union.

Daytona don't claim to have a boom. It is just a steady legitimate growth that won't be curbed. Daytona is forging ahead with rapid strides, and call it what you will, it has come to stay, and the people of Daytona are not at all anxious to get rid of it. Keep your eye on Daytona for the next two or three years. She will astonish you.

## Ayer's Hair Vigor

This falling of your hair! Stop it, or you will soon be bald. Give your hair some Ayer's Hair Vigor. The falling will stop, the hair will grow, and the scalp will be clean and healthy. Why be satisfied with poor hair when you can make it rich?

—My hair nearly all came out. I then tried Ayer's Hair Vigor and only one bottle stopped the falling. New hair came in thick and just a little curly.—Mrs. L. M. Smith, Saratoga, N. Y.

25c a bottle. All druggists.

**Clarks vs High School.**

The "rubber" game between the clerks and the High School team was played on the grounds west of the railroad Thursday afternoon. The teams each had one victory to their credit and each were striving to land the "rubber."

A big crowd was out to witness the game and the rooters were very prominent, also the noise they made when their favorites made a brilliant play. As in last week's game Cash Thomason easily carried off the honors as the boss rooter, and the way he yelled for the clerks would have done credit to a Comanche Indian.

The batteries were Duke Wilder and C. Nusbaum for the clerks and Grover Odum and Billy Baggett for the High School.

To give some idea of the force of Pitcher Wilder's balls it is only necessary to say that they were so swift that a ball off the bat knocked Marshal Zuber down and cut a gash in his forehead that required three stitches to bring together. It was a terrible blow and it is a wonder that the doughty marshal was not killed.

The clerks were a little too strong for the High School boys and won by a score of 19 to 17, but only after a hard struggle.

The line up for the game was as follows:

Clerks	High School
C. Nusbaum, pitcher	Billie Baggett, pitcher
Duke Wilder, 1st base	Grover Odum, 1st base
Lockwood, 2d base	Leo Burquian, 2d base
J. D. C. Morris, 3d base	Eubanks, 3d base
H. Courtney, short stop	Geo. Foster, short stop
R. Ketter, right field	Harry Horn, right field
Percy Rodgers, left field	Red Caldwell, left field
F. Nusbaum, center field	Alfred Mabry, center field
Umpire—Dr. Rawlins.	

**HOW TO WARD OFF OLD AGE.**

The most successful way of warding off the approach of old age is to maintain a vigorous digestion. This can be done by eating only food suited to your age and occupation, and when any disorder of the stomach appears take a dose of Chamberlain's Stomach and Liver Tablets to correct it. If you have a weak stomach or indigestion you will find these tablets to be just what you need. For sale by all druggists.

**MAN'S UNREASONABLENESS**

is often as great as woman's. But Thos. S. Austin, Mgr. of the "Republican," of Leavenworth, Ind., was not unreasonable when he refused to allow the doctors to operate on his wife for female trouble. "Instead," he said, "we concluded to try Electric Bitters. My wife was then so sick she could hardly leave her bed and five (5) physicians had failed to relieve her. After taking Electric Bitters, she was perfectly cured and can now perform all her household duties." Guaranteed by all druggists. Price 50c.
